## Statement from Lisa May CEO, Lodge Hill Trust regarding the Novel Coronavirus

The Lodge Hill Trust has been monitoring the development of the Novel Coronavirus outbreak over recent weeks and is taking steps in line with NHS England advice to help prevent the spread of infection for staff and visitors.

When visiting the site, please ensure you wash your hands frequently for a minimum of 20 seconds using soap and water or using our hand sanitiser which has been placed at key locations around the site. Please also ensure you maintain at least 1 metre (3 feet) distance between yourself and anyone who is coughing or sneezing and avoid touching your eyes, nose and mouth. If you do need to sneeze or cough, please make sure you cover your nose and mouth with a tissue or bent elbow and dispose of tissues immediately in a bin. We have easy-read print out advice across the site.

Anyone experiencing flu type symptoms should not come to the Lodge Hill site and should seek medical advice using the NHS 111 helpline or call their GP.

Lodge Hill are operating as usual and any advice or changes will be on our website and social media pages.
