We Cycle Too' Bike Launch!

Lodge Hill and We Cycle Too are excited to bring you a vast selection of all inclusive bikes that can be adapted to any ability!

We Cycle Too have donated their fully accessible bikes to Lodge Hill after sadly losing the land they kept them on. There are over 10 bikes available for children to use on their own or alongside a parent, carer or friend!

We are going to be putting in a track so that you can book the bikes for one and a half hour sessions.

We will be launching these bikes at our next SEND day on the 24th August! Please come along and share your feedback with us. We look forward to seeing you then!

We Cycle Too
CREATING FUN FOR EVERYONE

You Wouldn't BEElieve...

We had approximately 30,000 honey bees removed from behind one of our building!

They were removed by a professional who will take them home and put them in quarantine to make sure they are free from mites and other issues. Once they are healthy, they will be introduced to the other honey bees that this beekeeper has and will live happily ever after making honey in an environment safer for them!
