Welcome

Thank you for showing your interest in Lodge Hill as your wedding venue. The Weddings we have here are quite unique and personal. Our beautiful Oak Room is licensed for ceremonies. We can cater for small intimate weddings, stunning woodland weddings within our 32 acres of woodland and also more formal wedding receptions in either our Bradbury Suite or marquees overlooking breath-taking views of the South Downs. With our Woodland Lodges, Lodge Cottage, accommodation, breakfast and much more we can certainly make your wedding bespoke!

We can offer exclusive use of our entire site and if you are looking for a reception with a difference we can even provide outdoor activities for your guests!

The only way to fully appreciate what we can offer is to visit us, see our site and talk through what you and your partner are looking for. It is difficult to give you any prices because of the volume of different options we have. We also work with you on your own bespoke menu so again, nothing is set in stone and if we can make it happen, we will! We don't just do weddings here at Lodge Hill so available dates for Spring/Summer are very few. Please be advised, dates in 2020/2021 are starting to fill up so if you are interested in visiting then it's probably best to come along soon.

To arrange a visit or for further information, please contact us on 01798 831411 or email us at events@lodgehill.org.uk

If we can make it happen, we will!
